

Two Grayling Residents Found Dead In Vehicle

A 19-year-old Grayling man and a 20-year-old Grayling woman were found dead in a vehicle on a side road in Grayling Township. The victims apparently died from asphyxiation but the causes are still under investigation. The man and woman were found about 1:30 p.m. Monday afternoon by a Crawford County Road Commission worker. No names were released as of Tuesday noon by the sheriff dept.

Police Recover \$9,000 In Stolen Goods

Grayling City Police recovered nearly \$9,000 in stolen items and turned three youths over to juvenile authorities. Acting on a tip from Mr. Nye, of the Skyline Ski Lodge, police recovered a stolen snowmobile, five rifles, ski equipment, and other goods. Three Grayling area youths were questioned with their parents present, and police found out the youths had been on a crime spree for the last two weeks in the Grayling to Houghton Lake area. Another youth was also involved and was being sought by police.

Chamber Sponsors "EXPO 86"

The Grayling Regional Chamber of Commerce is currently putting together a trade exposition to be held the weekend of April 12 and 13 at the Bear Museum Building. This show will be unique in that it will not limit its participants to just the building trades but instead will incorporate all businesses that have products to display. It will provide a complete shopping experience for the consumer.

An entire program of fun and entertainment is being planned for visitors of all ages.

This will be a quality show to promote the quality services that northern Michigan has to offer.

For more information please call the Grayling Chamber at 517/348-2921.

Nominating Petitions Due for COOR Board of Education Positions

Nominating petitions may be obtained at the COOR Intermediate School District Office, 11051 North Court Road, Roscommon, between the hours of 8:00 a.m. and 3:30 p.m., for two vacancies on the COOR Board of Education for terms of six (6) years, to be voted upon at the General Election, Monday, June 9, 1986.

Nominating petitions must contain 150 signatures of registered voters in the COOR area and be returned to the COOR Superintendent no later than 4:00 p.m., Monday, April 21, 1986.

Grayling Middle School Band Earns 2 In District Competition

The Grayling Middle School Band scored three 2's and one 3 for an overall rating of 2 in district competition at Traverse City Saturday. Forty three students played in the band directed by Dennis Ormsbee.

World Day of Prayer Friday

World Day of Prayer is hosted by LCW of St. John Lutheran Church, 710 Spruce St., on Friday, March 7 at 1:00 p.m.

This is the day, once a year when women of faith around the world unite their prayers for Peace. This is for all women (and men) in the Grayling area.

Travelogue Thursday!

New Zealand Adventure Next in Series

On Thursday evening, March 6, the Grayling Community Education Program will open the doors of the Joseph Stripe Auditorium for the next exciting full-color, true-life adventure of their current Travel and Adventure Series. Appearing that evening to narrate live his film "Adventure Across New Zealand" will be nationally recognized film lecturer John Ebert. Doors at Grayling High School will open at 6:45 p.m. and the travelogue will begin promptly at 7:30. Tickets will be available at the door.

Explore the full length and breadth of the North and South Island of New Zealand with John Ebert as your guide. The journey by camper, airplane and boat discloses the beauty and uniqueness of this small country. Walk endless miles of superb beaches with sheltered bays and harbors. Experience the tropical bushlands, the great forests and the best trout fishing in the world. Visit Auckland, Rotorua, Rainbow Springs, Wellington, Christchurch just to name a few. Explore Westland National Park and the Franz Josef Glacier. Climb historic Mount Cook with an overnight bivouac on the summit. Don't miss this great "Adventure Across New Zealand!"

Do They Have No-Kill?

Thursday evening's travelogue at Grayling High School will feature Mr. John Ebert and his exciting film, "Adventure Across New Zealand". Included in that film will be footage of the fantastic trout streams at Rainbow Springs, considered by some to be the best trout fishing in the world. For an area to gain such a reputation, the fishing must at least be exceptional, which gives rise to another thought, Do they have "No-Kill" there? We intend to ask.

Range Firing Conducted

"Range firing will be conducted at Camp Grayling during the period 5 March thru 12 March 86.

Firing will be in the following areas on the dates and times as indicated.

The Range 40 Complex located north of County Rd 612, east of Guthrie, south of Old State Rd 618 and west of County Rd F97 (Twin Bridge Rd). Firing will begin at 8:00 AM (Daily) 5 March and cease at 8:00 PM (Daily) 12 March 86, and run continuous from 8:00 AM 8 March until 8:00 PM 9 March 86.

The range will be closed to the public during this period and all persons are warned to keep out of the areas identified."

HISTORICAL SOCIETY RECEIVES CABOOSE — Crawford County Commission Chairperson Mary Harland and County Clerk Beth Wieland sign papers to obtain a Detroit and Mackinaw Railroad Caboose for the county Historical Society. Jack Alef, President of Grayling State Bank, and John Alef, vice-president at Grayling State Bank, arranged to buy the caboose for \$1. Also shown are Terry Wright, Chamber of Commerce director, Bob Ruddy, Historical Society director, and commissioners Larry Mattis, Bud Joyce, Bill Ruddy, Jeannette Kitchen, and John Miller. The caboose will be delivered this spring and will be located next to the railroad depot.

Area Man Convicted, Faces Life Sentence

David Shipe, a former Grayling resident and current Houghton Lake area resident, was convicted of first degree criminal sexual assault by a jury trial in 46th Circuit Court here that ended Thursday, Feb. 27.

Shipe has 30 days to appeal the guilty verdict. Judge Alton Davis revoked bond and Shipe is currently in the Crawford County Jail awaiting sentencing or an appeal. The maximum penalty for first degree criminal sexual assault is life imprisonment.

Shipe was found guilty of the crime involving a boy, who was seven years old at

the time of the reported offenses. The prosecution was handled by Crawford County assistant prosecutor David Sabin.

Testimony included experts from the University of Michigan and the Traverse City Maple Clinic. The Antrim County Department of Social Services and the Michigan State Police investigated the case.

Shipe, 30, also has charges pending involving a first degree criminal sexual assault involving a younger boy.

The investigation of the offenses began in May, 1985.

Residents Oppose Adult Foster Care Home Set For Sherwood Forest

An application to place an adult foster care home in Sherwood Forest in Grayling Township is being opposed by residents in the subdivision and surrounding area.

A petition signed by 92 residents indicated opposition to the adult foster care home for four reasons:

1) Property purchased in Sherwood Forest Subdivision was sold as being a "restricted subdivision," thereby causing higher property values.

2) Restrictions indicate that family dwelling is to be single-family unit only.

3) The restrictive covenant states that a dwelling is not to be used for any commercial and/or rental purposes whatsoever.

4) The facility would be in violation of existing water and/or septic requirements.

The property owners felt their legally recorded property restrictions would be violated and asked that the adult care foster home application be denied.

Their petition and reasons were sent to the Bureau of Regulatory Services for the Michigan Department of Social Services which ruled there was no basis in the complaints to deny issuing a license for a four-person adult foster home care at 6624 Friar Tuck Lane.

James Quigley, director for the Division of Adult Foster Care Licensing, stated that the Michigan Supreme Court recently ruled that adult foster care home was occupied by a single family and used for residential purposes. The court also held that an adult

foster care home could not be considered a business or commercial use of property.

Quigley said that the applicant's septic system must be inspected and approved by either the Crawford County Health Dept. or the Michigan Dept. of Public Health before a license is issued.

Quigley said the area property owners opposing the application have 30 days to appeal the decision by the bureau not to deny a license because of their complaints.

The application for the adult foster care home was made by Janie Ventline on Dec. 11, 1985. Licenses can not be issued until 45 days after the application is filed. The 45-day waiting period has expired but the license for the foster care home has not yet been issued.

Grayling Township conducted a public hearing on the adult foster care home application last Thursday. Grayling Township Clerk Monica Ashton said although the township has no say in the matter, the township board held the meeting out of courtesy to township property owners. The township asked representatives from the Department of Social Services to attend the meeting to answer questions.

Agnes Green and Tom Kozba, DSS Adult Foster Care Licensing consultants, presented the department's position at the meeting attended by about 30 persons. Of the 30 persons, 29 were opposed to the application and one person, Ms. Ventline, was in favor.

Local BPW Begins Drive For New City Playground

The Grayling Business and Professional Women's organization is leading a community drive to build a new playground in the Grayling City Park.

The new playground will be for younger children and will be built on the site currently occupied by the Crawford County Historical Museum. (The museum is expected to be moved this spring or summer to land next to the railroad depot.)

The Grayling BPW have set a goal of \$12,000 to purchase new playground equipment for the city park. The equipment they will be buying includes a sand box with roof, a carousel, swings, a swinging gate, and a gym for younger children with infant swings, a low slide, and climbing areas.

The BPW have planned a community drive March 1 to April 15 to raise funds for

the new playground. Contributions can be made to Grayling BPW Playground Fund, P.O. Box 911, Grayling, Mi. or to canisters placed in businesses around the area. The canisters have been decorated by young children at the Crawford AuSable Day Care Center.

The Grayling Booster Club have already contributed \$6,000 to the drive. If more than \$12,000 is raised, the BPW say the extra funds will be used to improve existing playground equipment at the park.

The BPW hope the new playground will be in place this summer. The City of Grayling will install and maintain the playground.

To help promote the drive, the BPW are willing to talk to groups or individuals wishing to be donated. For more information, call D.J. Taylor at 348-6171.

State Legislators Back No-Kill Protest

A resolution to rescind a recent Natural Resources Commission ruling placing no-kill on the AuSable was going to be introduced in the state legislature Tuesday, March 4, at 10:30 a.m. by Senator Connie Binsfeld, according to Pete Stephan, head of the Committee To Oppose Catch-and-Release.

Stephan said both Binsfeld and State Representative Ralph Ostling have pledged support for the Committee To Oppose Catch-and-Release.

The Crawford County Board of Commissioners voted 6-0 to join in opposing the new no-kill rule on the mainstream, and the local Democratic Party has also indicated support, Stephan said.

The AuSable River Property Owners Association has given money to the non-profit Committee To Oppose Catch-and-Release, and U.S. Senator Bill Schuette has indicated an interest in supporting the group, Stephan said.

Stephan said he is scheduled to attend the Grayling Sportsman Club meeting March 5th to ask for their support. He's also going to a Michigan United Conservation Clubs meeting to ask for their support. Stephan

said the MUCC has said in the past they would oppose any additional no-kill regulations.

Donations and support for the Committee is coming from all over, Stephan said. They have received donations from Alabama, Florida, Washington, the Flint area, Grand Rapids, Mason County, and Bloomfield Hills. State Representative Dick Allen, from the Thumb area, also called Stephan and expressed interest in supporting the group because of support from his constituents.

The Committee To Oppose Catch-and-Release still plans on filing for an injunction in Circuit Court to halt the no-kill rule from going into effect the last Saturday of April. Stephan said both Binsfeld and Ostling said they would join the list of plaintiffs on a petition seeking the injunction.

The Committee plans a public hearing Wednesday, March 26, 7 p.m. at the American Legion to update the public on their efforts.

The group also plans to publish a newsletter distributed through the Crawford County Avalanche by late March. They will be contacting local and state businesses to advertise in the newsletter.

Guilty Jury Verdict 1st in Felony Trial In More Than 3 Years

By Jon Thompson

The guilty verdict in the recent David Shipe case was the first guilty verdict delivered by a Crawford County jury in a felony trial in more than three years.

On Feb. 23, 1983, a Crawford County jury in 46th Circuit Court found a person guilty of breaking and entering a vehicle — a felony offense. Since then, there have been four jury trials involving felony charges in Crawford County, and the jury delivered a not guilty verdict in each one.

On Oct. 9, 1985, a jury here found a person not guilty of criminal sexual assault first degree.

On Oct. 16, 1984, a jury here found a person not guilty of a felony charge of larceny in a building.

On Aug. 5, 1983, a jury here found a person not guilty of a charge of kidnapping and not guilty of a charge of criminal sexual assault first degree.

On June 2nd, 1983, a jury here found a person not guilty of criminal sexual assault third degree.

During 1983-85, there were three other jury trials in Crawford County involving high court misdemeanors or civil cases.

On May 9, 1984, a jury here found a person not guilty of criminal sexual assault fourth degree — a high court misdemeanor.

On July 10, 1985, a jury here found two persons not guilty of negligence.

On May 16, 1985, a jury here found two defendants guilty of negligence that caused an injury and awarded \$35,000 in damages to the plaintiff.

In District Court in Crawford County, the jury verdicts have come out even the last two years with four not guilty verdicts and four guilty verdicts.

On Nov. 6, 1985, a jury here found no cause for action in a civil suit against a person who owned a dog who allegedly bit someone.

On March 28, 1985, a jury here found a person not guilty of a charge of assault and bat-

tery.

On Feb. 7, 1985, a jury here found two defendants not guilty in a civil suit concerning house and property damages.

On March 15, 1984, a jury here found no cause against a business in a complaint about auto repairs.

On Oct. 24, 1985, a jury here ruled in favor of the plaintiff in a case concerning truck repairs.

On Sept. 19, 1984, a jury here found a person guilty of a charge of O.U.I.L.

On May 17, 1984, a jury here found two persons guilty of using an artificial light with firearm in possession.

On Feb. 16, 1984, a jury here found a person guilty of impaired driving — 2nd offense, no proof of insurance, and no registration. The original charge included a charge of O.U.I.L. and jury opted for the lesser charge of impaired driving.

The cost for a three-day jury felony trial can be as much as \$1,200 for juror fees and mileage. On a felony trial as many as 100 jurors may be contacted and about 75 report to the courthouse. For reporting to the courthouse and going through the selection process, each person usually receives at least \$7.50 for a half day of juror fees plus mileage. For the 7 to 14 persons who are selected as jurors, they receive \$15 plus mileage for each day they serve.

During 1983-85, eight Circuit Court jury trials went the full route in which the jury delivered a verdict. In those three years, seven jury trials were aborted before the final verdict — the defendant either agreed to a plea bargain, the case was dismissed, or the parties agreed to a settlement. But even in the aborted trials, persons were called in for jury duty and had to be paid. Sometimes the trials went into the third day before the jury was dismissed.

In District Court the last two years eight jury trials went the full route. Four jury trials during the two years were aborted.

BOOSTERS DONATE \$6,000 TO BPW PLAYGROUND DRIVE — Betty Worden, of the Grayling Booster Club, and Joyce Brackenbury, of the Grayling Professional and Business Women's organization, are shown with samples of playground equipment the BPW want to purchase for the Grayling City Park. The BPW is conducting a community drive to raise \$12,000 for the equipment and the Booster Club donated \$6,000.

From Our Corner...

One more trip through the unknown...unknown to us at this time is what we are going to fill this turkey with this week...at the present it looks as if it will be another bits, pieces and what-nots...

Possibly it would be a good time to answer a couple letters we have received lately and have sort of ran out of room on previous columns...

The first is just a short note from Joan Rose concerning an article she had read; and our bride; grandchildren and our den...

In answer to the article, Mrs. Rose sent in one by Andy Rooney, clipped from the Bay City Times...his columns, like Ann Landers, Irma Bombeck, and others are syndicated and one has to pay for their use...

There are articles that may appear in papers throughout Michigan, and if the paper belongs to the Michigan Press Association, as the Avalanche does, we are able to re-print them...

Mrs. Rose's other questions are easy to answer...our bride, like our grandchildren are doing fine...as for the den that is a long story...

Thelma drove last week for the first time since she fractured her wrist in October, so she is happy, she can get out of the shack during the day...and shop...

T.J., Stefany and Amber are fine, we will be able to report more about them after we visit them in April...that is the time we're going to be able to get away from the salt mine, and play like we're a jet-setter for a couple of weeks...

The den...that is another story of its own...at other times we have not exaggerated on the stuff (junk) that is in our den, the desk is covered, the couch is full, the chairs overflow, and you take your life in your own hands when you open the door and try to walk in...

That's not the last of it...all what I said above is Thelma's stuff...now, in the last couple of week's her mother had to be taken to Mercy Manor...how much of Leona's belongings LeRoy took home, I don't know, I do know that Thelma brought too much...there's no room in the den...

That just reminded me of something...have you ever opened the top compartment freezer to your refrigerator and get bounced on the foot by three or four frozen packages, etc., that you didn't even know you had?...

That is like opening the door to my distant future den...

Another note I should have answered was similar...this was from Mrs. Phyllis Barber when they renewed their subscription...

Mrs. Barber writes that she has a similar problem with an extra room that gets the stuff out of sight, and I won't mention that you said not to be too hard on Thelma because I will have time when I retire to get things straightened out...no Phyllis, I know she won't let me heave anything, even then...

Thanks gals...your notes made my day...

Now, on letters to the editor and articles submitted by organizations, clubs, etc.

The Avalanche is a small newspaper...we try to make it presentable to our readers, and keep as many happy as we can...

Our problem is space...one does not need to write a novel to get a point across, whether an article or letter...also, we do not have time to count words to set a word limit...from now on, anything over what we feel is too much will be edited or sent back to the author...

With this exciting column, we'll bid T.J., Stefany and Amber goodnight, and to all that may come in contact with the turkey, have a nice weekend...

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

23 Years Ago March 7, 1963

Mr. and Mrs. Clifford Malloy were in Owosso weekend before last to visit their daughter and family, the Mel Luters, and in Detroit to see their other daughter and family, the George Phillips', and to see their new grandson.

Mr. and Mrs. Robert Strong II and daughters of Mt. Pleasant spent the weekend with their parents.

The Bill Tufts have been watching deer crossing the river in front of their Manistee River home. The Manistee had been frozen solid for two weeks as of last weekend, making it easy for the deer to cross.

Thane Hendershot, Sandy Thompson, and Mr. and Mrs. Tom Douglas escorted a group of 25 youngsters of the St. Mary's Peanut and Jumbo League basketball teams to Mt. Pleasant Saturday to watch the Central Michigan U. - Ball CMU-Northern Illinois basketball game in the evening.

Edwin Funk is attending Frigidaire appliance repair school in Detroit this week.

Miss Caroline Allison was home overnight Friday from Central Michigan University, Mt. Pleasant, returning Saturday for play practice.

The Grayling Vikings cleared their first hurdle in District cage play Tuesday night with a cliffhanging 52 to 50 win over the Houghton Lake Bobcats. Down by five points with 40 seconds to go, Grayling tied it up at the 11 second mark and went out in front with only 4 seconds left on the clock. In probably one of the best balanced District High School Basketball tournaments in many a moon, five Class C teams will battle in the Grayling High gym this week for the right to move on to the Regional Class C skirmish next week at Petoskey. The five teams are: Alcona, Lincoln, Grayling, Houghton Lake, Roscommon and Whittemore Prescott. As the results of season play or late season form, any one of these teams is quite possibly the champion.

Karen Gothro was home from CMU overnight Saturday. She had spent week before last here ill with the flu.

46 Years Ago March 7, 1940

Mrs. Byron Randolph returned home Friday from a week's visit with her uncle and aunt, Mr. and Mrs. Roy Barber, in Bay City.

Mrs. Lawrence Goodrick and Mrs. J. Jacobs of Flint visited their mother Mrs. David White, and sister, Mrs. Tracy Nelson, over the weekend.

Mrs. Lorne Douglas of Bishopric, Saskatchewan, left for Bay City Tuesday after spending the past week visiting at the homes of her sisters, Mrs. E.J. Olson and Mrs. Earl Wood. Mrs. Douglas at present is visiting her mother, Mrs. Ellen Failing, who is spending the winter at the home of her daughter Miss Margaret in Bay City, before returning to her home.

With big pools of water on the streets and the snow sliding off the roofs of houses, it looks as though spring is really on its way. School children can be seen in groups on bare places

around the school shooting marbles. That's a sure sign of spring. Friday morning the Grayling Fish Hatchery thermometer registered 18 above zero at 6 o'clock but only gained 2 points by 6 p.m. Saturday morning was the lowest, the mercury dropping to zero during the night, and rising to 32 above at 6 p.m. Sunday, Monday, Tuesday and Wednesday the thermometer registered in the 20's, dropping to 14 above Thursday morning.

Floyd Wylie, the accommodating deliveryman at the Grayling Dairy, and Miss Ione Wright stole a march recently on their friends and hid themselves away and were married. It was sometime the middle of February and they have kept it a secret since. The bride is a surgical nurse at Grayling Mercy Hospital and came to Grayling from Royal Oak, and has been here for two years. The groom was born in Grayling, and both have hosts of friends who extend congratulations and best wishes.

The stork visited at the home of Mr. and Mrs. Roy Wolcott Friday, February 25, and left a daughter, Ellen Fedora.

The most valuable car load ever shipped out of Grayling was sent out Wednesday by Salling, Hanson Co. It was a car load of beams and brought \$4,993. These were purchased last summer.

Miss Ada Kidston entertained 17 of her girl friends at a birthday party Monday afternoon. In the evening Mr. Kidston took the happy crowd to the movies.

Mrs. William Finley of Bay City is visiting her parents, Mr. and Mrs. William Woodfield. Andrew Brown of Frederic, who is millwright at the big mill here, expects to move his family here from Frederic this spring. They will occupy the Nick Schjotz house on McClellan street.

A horse driven by Charles Christenson of Beaver Creek caused much excitement on the streets Wednesday, when it came tearing across the bridge near the big mill, and up Cedar Street, running into a telegraph pole near the Lewis Drug store. The driver was thrown out. The horse never stopped until it struck the dray of H. Wheeler on main street.

The Bible Speaks

From Calvary Baptist Church

ECUMENICAL COMPLETION

Is the final form of the ecumenical movement identified in the Bible? Can we know where the ecumenical movement will be located and controlled. Can we know certain identifying marks which will reveal this religious organization?

Just as false religious systems began in Babylon at the tower of Babel, so, the last completed form of this religion will be called "Mystery, Babylon the Great." (Rev. 17:5). A definite number of things will identify her. She is called "the great whore that sitteth upon many waters." (Rev. 17:1). The interpretation is given in Rev. 17:15, "...The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues." Peoples, multitudes, nations, and tongues remind us that it will be an international, universal or catholic organization.

Secondly, it will be a politically involved religious organization which will be trying to control all nations by political influence. "With whom the kinds of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication." (Rev. 17:2).

Thirdly, it will be a religious organization known for her vast wealth. "And the woman was arrayed in purple and scarlet colour, and decked with gold and

precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication." (Rev. 17:4).

Fourth, it will be a religious organization which has spawned other religious groups, "...The Mother of Harlots and Abominations of the Earth." (Rev. 17:5).

Fifth, it will be a religious organization which has persecuted and killed God's saints, both Jews and Christians. "And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus..." (Rev. 17:6).

Sixth, the location of the religious organization is on seven mountains or hills. "And here is the mind which hath wisdom, The seven heads are seven mountains, on which the woman sitteth." (Rev. 17:9). The location is more clear in Revelation 17:18, "And the woman which thou sawest is that great city, which reigneth over the kings of the earth." When John wrote this, the nations of the world were ruled by the Roman empire.

Mardi Gras at Hanson Hills

Resource Review

by Bruce Patrick
Conservation Officer

There will be a Mardi Gras Day on March 9th from 1 to 5 p.m. at Hanson Hills in cooperation with WJGS.

It is a family fun filled afternoon for everyone. There will be a door prize, costume prizes, giveaways, music provided by Quality Sounds, food, skiing, refreshments, free ice skating, hay rides, children's egg hunt, tug of war, children's games, and Chris Wright, Disc Jockey live from WJGS.

Everyone wearing a costume will get 1/2 off tow or rental fees. Everyone is invited to participate in the Mardi Gras Downhill Parade.

An entry donation of \$.98½ cents will be charged for the Lip Sync, Hula Hoop, and Limbo contests.

Also for the children ages 5-14 there will be a X-C Relay Race. If they are registered by Friday, March 7th, free equipment will be provided for the race. There will be prizes for all and free refreshments.

For more information, call 348-9266. Come and enjoy this family fun filled afternoon on Mardi Gras Day, March 9th.

The first nice days of the spring season bring on a yearning for more. As the days lengthen and the weather warms, I look forward to seeing those harbingers of spring - the first robin and the first woodcock of the season.

Although I am not very serious about it, I do enjoy birdwatching or "birding" as it is called. Being able to identify various species by sight or song is rewarding, and for some a profession.

Often, I think of an instructor I had as a student at Michigan State University - one of those professionals. Dr. George J. Wallace, a long time Crawford County resident, taught thousands of students the basics of ornithology. Meeting at 6:00 a.m. (not the best time of day for a college student) for several hours afield with binoculars, Dr. Wallace led students far and wide through south central Michigan. It was easy to see that he was a man who enjoyed his work.

In addition to his work with students, Dr. Wallace conducted research on the MSU campus which eventually improved the world in which we all live. His studies on the effect of pesticides on birds was the basis for Rachel Carson's "Silent Spring". This important book pointed out the long term environmental effects of such poisons as DDT. For that, we should all be thankful.

Although I was not one of Dr. Wallace's better students, and he doesn't remember me among all the rest, I owe him a lot because of what I picked up from him.

I still can't tell the difference between all of the warblers, though.

Hinderleider Wins Second Place in Art Contest

by Nancy K. Holcomb,
Activities Director, GHCC

The late Arthur W. Hinderleider took second place in the Second Annual Poetry and Art Competition sponsored by the Hillhaven Corporation and the Grayling Health Care Center.

Hinderleider's entry of "Little Bit", a freehand sketch of his Yorkshire Terrier, placed second among 575 entries in the art category nationwide.

A former resident of Westland, Mich., Hinderleider taught Building Trades for 30 years in Detroit area schools having moved to the Grayling Health Care Center in December of 1984.

In retirement, Hinderleider pursued a wide variety of creative activities including clock making, leather working, drawing, crewel embroidery, acrylic painting, and carving of stained glass windows.

Honorable Mention ribbons were also received by Grayling Health Care Center residents Donald Crevier, Dorothy Green, and Pearl McMichael.

The Annual Poetry and Art Competition as sponsored by the Hillhaven Corporation was started in 1984 to create interest in, stimulate and recognize the literary and artistic talents of the senior population now residing in Hillhaven facilities (like the Grayling Health Care Center) on a national level.

Hinderleider's entry of "Little Bit" will be published in a book entitled "Thoughtful Colors and Colorful Thoughts" to be published later this year.

Just as the sun started to
shine again up here, the
Grayling Country Club letter
arrived. That must be an
omen that spring is on the
way!Membership applications
are now out and anyone
wishing information on
memberships are urged to
contact the club at P.O. Box
529, Grayling, MI. 49738.This year's board mem-
bers are Wayne Casler,
President; Luke Petrosky,
Vice-president; John
Wejrowski, Treasurer; Bill
Joseph, Secretary, Harvey
Rowland, Chairman-mem-
bership, Rudy Martinez,
Chairman-greens; Jim
Parkinson, Chairman-build-
ing; Paul Thomson, Mem-
bership and Dave Jansen,
Greens.There have been several
changes made with Mike
Hoffman hired as the overall
course manager. Mike has
had experience at golf
courses in Florida and Mich-
igan and has an excellent
understanding of golf. Bob
Grimm will be returning as
greenskeeper to continue his
improvement program that
was begun last season.Number three green has
been almost doubled in size
and sloped while the two
traps on that hole remain,
much to golfer's chagrin.
I'm sure. Ralph Davidson has
transplanted a large number
of maple and pine trees all
over the course enhancing
the appearance of the
course.Another major change will
be the board's compliance
with rulings which will allow
women to purchase stock.Some of the opening dates
scheduled at the Official
Club Opening and Happy
Hour on April 18, the
Women's Organizational
Meeting on April 22, and
Tuesday and Wednesday
Men's League beginning on
April 29 and 30. Those men
wishing to play in either
league should make sure
they sign up before April 22

Iacocca Dismissal Puzzling

by Richard Millman

THE DISMISSAL of American folk hero Lee Iacocca from one of his long-standing jobs restoring the Statue of Liberty seemed to turn time backward.

Wielding the axe on the Chrysler chairman was Donald Hodel, secretary of the interior, who ranks several dozen points below Mr. Iacocca on any applause and/or recognition scale that would compare the two gentlemen.

It seems as if Mr. Hodel finally decided that it was a potential conflict of interest for Mr. Iacocca to hold two Statue of Liberty jobs at the same time — both as chairman of the federal Statue of Liberty - Ellis Island Centennial Commission and as head of the private Statue of Liberty - Ellis Island Foundation, Inc., which is raising the money for the restoration.

Mr. Hodel is a bit slow on the uptake. Mr. Iacocca has been holding both jobs for four years, which adds to the wondrous nature of the recent firing.

MR. HODEL'S ACTION harks back to the days of his predecessor, the Hon. James Watt, who riled enough feathers around the country with some of his actions and words that he finally decided to settle for the considerably less rigorous confines of private life.

Mr. Watt, you may recall, once admitted (or was it a boast?) that one of his advisory groups went all the way on the matter of equality, including among its membership a woman, a black, a Jew and a cripple, or something like that. Instead of placating minority groups, the Watt remark made everybody mad, and Mr. Watt left the cabinet shortly thereafter.

Mr. Hodel's action in dismissing Mr. Iacocca seems to have the same effect on the public, which generally speaking seems to be siding with Mr. Iacocca in the current brouhaha.

MR. IACOCCA himself was pretty upset about the matter. He claimed his dismissal as head of the government advisory panel on the Statue of Liberty "borders on being un-American." That characterization is a bit extreme, but Mr. Iacocca has never been known for understatement. He never would have sold all those cars if he was circumspect in such matters.

Mr. Iacocca seems to think he was fired because he doesn't like some of the plans. Mr. Hodel apparently is considering about developing Ellis Island, such as something

Mr. Iacocca calls a luxury hotel.

"That's not part of the deal we made with the American people," Iacocca said. "A lot of people have worked hard for four years on behalf of this project, and so have I, and I don't appreciate being disenfranchised on somebody's whim."

Mr. Hodel also claims he is thinking of the American people. In explaining his action, he said: "...it may be he (Mr. Iacocca) has made up his mind what he wants to happen on Ellis Island, but the American people deserve an unfettered look."

THERE ARE THOSE observers unkind enough to suggest that somebody in the Reagan Administration (Perhaps George Bush? Maybe Donald Regan?) who wanted to dump Iacocca now so that he would not be so much in the spotlight when the Fourth of July celebration for the refurbished Statue of Liberty rolls around.

There are those who suggest that politics is somehow involved, because some Republicans fear Mr. Iacocca as a prospective Democratic presidential candidate.

But Mr. Hodel insists he acted all alone in the matter. And Mr. Regan also insists that Mr. Hodel acted all alone. And so do such White House spokespersons as Larry Speakes and others of an unidentified nature.

SOME OBSERVERS don't buy this line of argument, however. For example, the Palm Beach (Fla.) Post opined in Mr. Iacocca's favor: "He's obviously doing a good job of both (assignments) and the Republicans might have been wiser to let him alone. When Ford Motor Co. fired him in 1978, he promptly put Chrysler back in the automobile business. This time he might get mad enough to put the Democrats back in the White House."

That may be a bit strong, but the essence is there.

Did Mr. Hodel act on his own? Would an administration where power is as centralized as it always has been in the Reagan Administration permit a relatively unknown cabinet officer to dump a person of Iacocca's stature all by himself, without prior knowledge higher up...indeed, without direction from higher up?

If you believe that, then I've got an island for sale, in New York Harbor, with a newly painted statue on it.

STATE FINALIST — Kimberly Marie Springer, daughter of Mr. and Mrs. Denny Springer, of Grayling, has been selected state finalist for Michigan's Sixth Annual Homecoming Queen selection to be held April 12 and 13 at the Clarion Hotel and Conference Center in Lansing. She is the Grayling High School Homecoming Queen. Michigan's Homecoming Queen will receive a cash scholarship plus an all-expense-paid trip to compete with queens from the other states for America's Homecoming Queen in July in Honolulu, Hawaii. America's Homecoming Queen will receive a cash scholarship plus an all expense paid educational trip to Europe. America's Homecoming Queen, Inc. is a non profit organization promoting education and educational travel for high school homecoming queens in all fifty states.

Mercy Hospital Recruiting Volunteer for Auxiliary

A recruitment effort is under way at Mercy Hospital, Grayling for area residents interested in serving as volunteers through the Hospital Auxiliary, according to Mrs. Donna Pflum, Coordinator of Volunteer Services.

"If you have extra time on your hands and are willing to share your smiles, friendliness and positive attitude with our patients and their families, you have the qualifications to become an Auxiliary at Mercy Hospital," said Mrs. Pflum. "We need more volunteers to spend time in several areas of the hospital."

Mrs. Pflum, a Roscommon resident, began working at Mercy last fall when the need to develop the existing volunteer program at the hospital was realized. She helps coordinate the activities of the Mercy Hospital Auxiliary along with president of the group, Jan Harvey of Grayling. Residents in the Mercy Hospital service area...from St. Helen to Gaylord...are cordially invited to become active Auxiliaries.

Membership fees are only \$3 annually, and the proceeds are used to purchase needed equipment for the hospital. Fundraisers are held throughout the year, sponsored by the Auxiliary, and an estimated \$6,000 is donated to the hospital annually for needed medical equipment.

Auxiliary meetings are held the second Thursday of every month at 1:30 p.m. in the hospital's Riverside Room. Participation in the meetings is encouraged but is not mandatory, Mrs. Pflum explained.

"Many of our Auxiliaries prefer to spend their time working in the hospital and don't attend the monthly meetings, although it is encouraged," she said. "Currently there are over 100 Auxiliaries working in the hospital for the benefit of our patients and their families."

Mercy Hospital's Auxiliary operates the hospital gift shop located in the main entrance lobby. Auxiliaries volunteer their time there and also at the information desk, medical library, and at Mercy Manor, the hospital's extended care facility.

Future areas for volunteer services include the infant car seat education program within the Obstetrics Department at Mercy, in clerical areas, at the surgical floor family waiting area, the mobile patient library and gift cart, and assisting patients with menu selections. Mrs. Pflum is currently contacting area service organizations, community and church groups in an effort to explain the Auxiliary programs. In the spring one-day recruitment sessions will be held, giving new volunteers an opportunity to learn about the service areas available within the hospital.

"We also hope to begin a new program in the spring with teenage volunteers," said Mrs. Pflum. "We'll be accepting applications for that program for students

Rabbits 'R'R Habbits

On Saturday, February 22, 1986, the 4-H group attended an ARBA rabbit show in Saline, Michigan. The club was invited to spend the night at Glen and Margaret Ruegseggers (parents of Anna Marie Bishop) home in Bay City, Mich. There were seven members attending the Saline show. There would have been eight members attending but when we got to Bay City, I turned spotted and found I was the victim of Chicken Pox.

Tina Golnick at this show earned 2 trophies, one for her Holland Lops and the other for her Florida White. Tina also received 8 blue (first place) ribbons and 2 red (second place) ribbons. The ribbons were placed on the following breeds: Mini Lops, Holland Lops, Netherland Dwarfs, and also her Rexes. Tina did very well at this show. Jeremie Harwood took 4th place with his Netherland Dwarf "Brilliant Bam Bam." Also showing was Terry Sorenson with his Californian "Handsome Harry" and Mrs. Anna Marie Bishop with her Siamese Satin "Super Simon" which she purchased at the show.

Laura Renon and Keith Bishops rabbits are both under age and unable to be shown, but both members were present at the show.

The trip was made possible by everyone who bought our Easter egg decorations.

Viking Band Boosters

The public image of Grayling is being upheld proudly by our band! Traveling to Traverse City on Saturday, Feb. 22nd for the District Band Festival, our young ambassadors displayed professionalism and great respect for their director.

The musicians were especially well disciplined during the sight reading portion of the competition, which is probably the most difficult segment. During this time, the band is taken to a separate room and seated in front of a judge. Envelopes are then distributed to each member of the band and the director. Contained in the envelopes are two sheets of music which the band has never seen. They are then instructed to open the envelopes, take out the music and are given a few minutes to go over it with the director. They then play the music for the judge. The procedure is repeated with the second selection. The music differs in speed and style since one is a marching tune and the other a concert piece. The judge in his comments to the band following the demonstration of sight reading skills, praised the band by saying, "You have come a long way, but you still have a distance to go and you have the man here who can take you there!"

The scoring is from I to V. Several bands received III's and IV's, but our band received II, II, I, and II which averaged to a II (B+). If another of the II marks had been a I, the band would have qualified to advance to state competition. Dennis Ormsbee proudly commented about his young people, "The band members were very good ambassadors for Grayling and they gave a good performance."

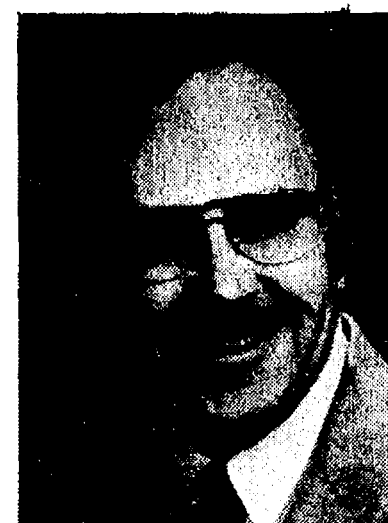

Approximately twenty-five band boosters were at the district competition to give encouragement and support. The band director thanked each one for traveling the distance to Traverse City and lead the band in applause.

An exciting day had come to an end until next year when the district competition will be just a stepping stone to the state finals.

Legislators Visit Michigan Guard Troops Training in Honduras

Warren M. Hoyt, Exec. Dir., MPA

Michigan's Adjutant General Vern Andrews returned recently from a four day fact finding mission to Central America. Departing with Andrews on February 17 were Warren Hoyt, Executive Director of the Michigan Press Association, Blair Bedient, publisher of daily newspapers in Albion and Marshall, and nine members of the Michigan Legislature. They included: Senator Kirby Holmes, R-Utica, and Representatives Mickey Knight, R-Muskegon; Charles Mueller, R-Linden; Ralph Ostling, R-Roscommon; Richard Fitzpatrick, D-Battle Creek; Michael Nye, R-Litchfield; Philip Hoffman, R-Horton; Robert Bender, R-Middleville, and Perry Bullard, D-Ann Arbor.

Primary purpose of the trip was to view training exercises being conducted in Honduras by Michigan Army National Guard personnel of 119th Field Artillery's B Battery, based in Albion.

The Michigan Army Guard arranged the trip with U.S. Defense Department approval, to try to offset some of the negative publicity surrounding the United States' activities in Central America.

The Michigan legislators and members of the press were flown on a Georgia Air National Guard C-130 Hercules from Battle Creek Air National Guard Base to Panama, where they received intensive briefings by high ranking military officials of the U.S. Southern Command including its Commander in Chief (four star) General John R. Galvin.

In response to critics who say the Army Guard's participation in Honduras is engineered to provoke an attack by Nicaraguans, the legislators were told this was false. Lt. General Emmett Walker stated "They're wrong. We are training our soldiers to be as qualified as possible." He went on to say that to read and listen to some of the comments you'd think training the Guard overseas was something new. "It isn't. We've been training Guard units overseas for years — in Central America and around the world — in 44 countries."

Asked about the safety of Michigan Guardsmen in Honduras, Adjutant General Vern Andrews said, "they are as safe in Honduras as in any of the other countries we've trained in around the world." He pointed out that more than 20,000 Army National Guard soldiers have trained in Central America in the past three years without a single incident, and that the host country will provide the security.

He also cited the humanitarian needs provided by the Guard's service there. U.S. medical personnel inoculate and treat natives and livestock in the region, while military engineering units build miles of badly needed roads. All of which, Andrews said, helps build good will with our Central American neighbors as well as provide meaningful and readiness training for our troops.

Following the series of day-long briefings in Panama, the group was flown to Palmerola Air Base in Central Honduras

for another briefing by the commander of all U.S. troops in Honduras, before being transported in Army Huey helicopters to remote mountain training sites of Michigan Guardsmen.

Swooping in and out of makeshift landing zones in wilderness training areas, Michigan legislators experience simulated battle field conditions, dined on MRE pacs (Meal Ready To Eat), consisting of mostly dehydrated food which were designed to replace the familiar "C" and "K" rations used by our military for decades, and observed first hand the Guard troops from Albion's field artillery unit firing live shells at an unseen target over a mountain some six miles away. During the shelling, almost as if it were pre-planned, the sunny skies gave way to a torrent downpour which added drama to the scene, as well as a few wet seats for the helicopter flight to the Honduran Capital of Tegucigalpa, climaxing the Honduran tour with an evening reception and briefing on the country's current political and economic climate at the home of the U.S. Ambassador to Honduras.

Concluding the events of the past few days, the legislators had an opportunity to reflect upon what they had observed and experienced during their whirlwind tour, during the long and tiring flight back to Battle Creek.

A minority point of view was expressed by Representative Perry Bullard, who appeared to be the only legislator on board who was still not convinced that our Guardsmen should be in Honduras. He was appreciative, however, of the opportunity to witness for himself what was going on down there and how our troops were being trained.

Representative Phil Hoffman admitted having some concern and apprehension about the trip, but stated, "most of it was brought about by a perception created by the media. After having visited Honduras, attending the briefings, and making personal observations out in the field, I feel less apprehensive about my own security, as well as that of our Guardsmen down there," he said.

Representative Michael Nye said he found the briefings to be one of the highlights of the trip, stating they were "comprehensive and informative." He also said, "the experience leaves me with a tremendous feeling of confidence in the competence and ability of the ranking military command in the area."

General Andrews pointed out that "the National Guard represents 46% of total U.S. combat ready strength." Citing the fact, most legislators in the group agreed that this type of training exercise and deployment experience is necessary and underscores the role of the National Guard in the nation's total defense policy.

As the giant plane touched down on the frigid, snow-banked runways at Battle Creek, everyone agreed the fact finding mission which concluded in sunny, 90 degree Honduras earlier that day wasn't quite long enough!

The Many Towers of Babel

As submitted by S.D. Newland-Schmooch

The fabled city of Babylon was not as old as her satellite sisters (Ur, Sumer, Nippur) when word of her first appeared in Biblical history. The highly-cultured civilizations of the Mesopotamian states, having been profoundly influenced by the sophisticated non-Semitic Sumerian priesthood of Anu, served as mature models for a rising Babylonian Empire. This fact deals a serious blow to the Old Testament tests which claim the earth was inhabited by those sharing a common language and root stock.

Nonetheless, the first Semitic dynasty was that of Sargon, the Akkadian King, and was established between 2380-2180 B.C. When the city-states of Mesopotamia were invaded and later fell under the dominion and protection of the western Semitic tribes, (Amorites and Aramaeans), the Chaldean Magi, who had absorbed the Sumerian traditions, related well to the nomadic invaders, the tribes simply appropriating Sumer's higher state of civilization. Gradually the acculturation of east and west became complete in the 8th century B.C., and an enormous pantheon of astrologically-inspired divinities appeared with Marduk rising as the supreme diety, naming Ishtar as his chief goddess and heavenly consort. A host

of lesser dieties attended the heavenly pair, and as Babylon grew in prominence, so arose a complex of temples honoring all of the Mesopotamian gods. It is now known that the great lawgiver, Hammurabi (1728-1686 B.C.) was the first to elevate Babylon as his capitol, the older cities of Sumer and Ur being consigned to a lesser position of importance, even though they were of greater antiquity.

The Assyrian Semites of Nineveh, being the most hated and feared people of that age, were constantly warring upon their more cultured neighbors, skinning their prisoners alive while impaling others on sharp stakes for sport. It would make for tedious reading to relate the number of times Babylon fell under siege down through the centuries and by whom, but it has now been archeologically established that it was Sennacherib, the Assyrian king,

who destroyed the Temple of Marduk in 689 B.C. and did his barbaric best to level all of Mesopotamia, as well.

Back and forth raged the intrigues of Babylon, until a Chaldean warrior, Nabopolassar, was crowned King of Neo-Babylon (620-605 B.C.). Nabopolassar, with the able assistance of the Medes and the fierce, warlike Scythians (also non-Semitic) trashed the Assyrian capitol of Nineveh, burning it to the ground in 612 B.C. The Koldewey excavation of 1890 A.D. near the base of the Temple of Marduk turned up Nabopolassar's inscription: "At the time Marduk commanded me to re-build the Tower of Babel, which had become weakened by time and fallen into disrepair, he commanded me to ground its base securely upon the breast of the underworld, whereas its pinnacles should strain upwards to the skies."

LOVELLS TOWNSHIP NOTICE

A Proposed Use Hearing will be held on Tuesday, March 11, 1986 at 6:45 p.m. at the township hall to obtain written and oral comments from citizens interested in the proposed uses of the Federal Revenue Sharing Funds for Entitlement Period 17 in the approximate amount of \$4,172.00 for fiscal year 1986-1987.

"Mercy Matters"

By Sister Mary Ellen Howard, RSM
President and Chief Executive Officer
Mercy Hospital, Grayling

I would like to thank The Avalanche for granting Mercy Hospital the space to print a health care informational column every week. The column will focus on various hospital services, educational programs offered, and Mercy's community outreach efforts. Again, I sincerely thank Whitey for this opportunity.

Mercy Hospital is this year celebrating its 75th year of service to the residents of our area. Mercy Hospital, Grayling, is a division of the Sisters of Mercy Health Corporation, the largest Catholic, non-profit health care system in the United States. In 1911, the hospital was founded by three Religious Sisters of Mercy: the property was donated to them by Grayling residents Doctors Palmer and Insley and Mr. Rasmus Hanson. Today at Mercy you'll find general in-patient medical/surgical/obstetrical care, emergency and other outpatient services, as well as a 40-bed skilled and basic extended care facility, Mercy Manor. There is a fine ambulatory surgery program that now provides about 50 percent of all surgeries performed at Mercy.

MercyCare Clinic was started a year ago in response to community need for immediate care for minor injuries and illnesses. Several new medical specialties are now available in the community due to Mercy's ongoing efforts at physician recruitment.

I look forward, in this space, to keeping you informed regarding Mercy's continued response to the revolution in the health care industry ... and to the needs of those we serve ... you! I welcome your reactions, questions and ideas for this column.

Operating Better

It happened back in the days of the old T-Model. A young man was stranded on a dirt highway. His old T-Model Ford wouldn't budge an inch. He had raised the hood, made every adjustment possible, but the engine still would not start.

Just as he kicked the tire and thought of rolling the car over into a ditch and forgetting about it, an elderly man, dressed in a business suit, stepped out of a new Ford and asked about the problem.

"Oh, this cotton-picking-thing won't run" he said, gushing out his futility and frustration.

"Well," said the older man calmly, "let's take a look at it."

He looked intently at the engine, made a minor adjustment, then told the young man to lift-up on the old-time crank and see what might happen.

With skepticism the young man made one turn of the crank and the engine started purring like a kitten.

The older man started to leave. "Hold on a minute! How did you know exactly what to do to that car?" asked the puzzled owner.

Smiling, the elderly gentleman said, "Son, I'm Henry Ford. I made that car and I know how she operates."

"So, God created man in his own image... male and female he created them. And God blessed them..."

The closer we stay to His Image, the better we operate, because He made us and He alone knows exactly how we operate.

Marriage Announced

Mrs. Ruth Robinson and Ernest Barber of Frederic wish to announce the marriage of their daughter Annette Barber to Scott Schwartz, the son of Joseph and JoEllen Schwartz of Grayling on February 14, 1986.

Lovells News

by Ruth Caid

Dale and Carol Gauthier attended the wedding of their son, Jon to Tammy Francis of Crosswell, in Saginaw on Valentine's Day. The new Mr. and Mrs. Miller will reside in Freeland while Jon continues his studies at Saginaw Valley State College. Dale, Jr. and Hedia Miller also attended the wedding. Congratulations to the newlyweds.

Mrs. Dorothy DeVos and Mrs. Margie Harwood are enjoying a vacation in Las Vegas.

The Cheerful Givers Club will meet in the club room Thursday evening at 7:30.

Sorry to report that Mrs. Elsie Butters had the misfortune of falling and breaking her arm.

Mr. and Mrs. Warner Cheyne are attending the REA convention in Las Vegas this week.

Mr. and Mrs. Tom Douglas spent Sunday with his aunt, Margaret Douglas.

Mrs. Margie Harwood hosted the card party Saturday evening. Prizes were won by Hazel Koernke, Ellie Wikoff, Virginia Parker, Bill Koernke, Marvin Wikoff and Jerry Davis. Mrs. Ruth Caid will host the party this week.

New books at the library are: "The Sider House Rules", by John Irving; "Night Ferry to Death", by Patricia Moyes; "Last Seen Alive", by Dorothy Simpson and "The Withdrawing Room", by Charlotte MacLeod.

Lovells Home Extension

The Lovells Home Extension Group met Wednesday, Feb. 12 at the home of Cheryl Hopp with eighteen members and one guest, Bobi Inglehart.

Each member brought a box lunch decorated in a Valentine motif, which they exchanged with another member.

The meeting was called to order by Chairman, Mildred Johnson. As their name was called, each person responded by reading a Valentine poem they had written or borrowed from an author.

Secretary-Treas., Carol Ralph gave her report and it was received as read.

New Homemaker Chairman, Cheryl Hopp gave a lesson on "Drying Fruits and Vegetables." She passed out samples of various fruits, also Apple Roll-Ups and Venison Jerky. They were all very tasty.

Safety Chairman, Kathryn Jones gave the lesson on "Pesticides". These are special formulas manufactured to combat Rodents, Fleas, Mosquitoes, Aphids and numerous other Pests who like to feast on Plants, Animals or Us. Hopefully, we get to them before they get to us. Kathryn stressed keeping the Pesticides away from children and if they should be ingested accidentally by anyone, get the person to the hospital immediately. Be sure to take the container along as the Dr. would need that information.

Diane Darcey won the Mystery Package. The next meeting will be held on Wednesday, March 12th at the Womens' Club House with Kathryn Jones as hostess. Please notify your hostess if you are unable to attend the meeting. If you have any items suitable for Bingo prizes, please bring to this meeting.

Jay and Ann Doty spent four days the latter part of February in Sault Ste. Marie, Canada, with Floyd and Winnie Edwards.

Those coming to attend the funeral of Mrs. Myrie "Peg" Milnes on Tuesday of last week were Jane and Bill Rosin of Portales, New Mexico, Eddie and Sal Hubel of Clare, Shelley Wilson of Albuquerque, New Mexico, Mr. and Mrs. Roy Milnes II and daughter, Bonnie of Roscommon, Roy Milnes III and wife Kathy of Denver, Colorado, Bernie and Liz Milnes of Roscommon, Betty and Gary Binder of Schwartz Creek and Russell and Marie Jacobs of Detroit.

Jane and Bill Rosin had been in the Phoenix and Tucson area visiting, among those whom they had seen were Ernie Hoesli and Nelle Welsh Maharg. Sal and Eddie Hubel were in California visiting Ceil and Bill Diedrich when they received word. They flew home for the services and then returned to the coast. Jane and Bill remained in Grayling until the latter part of this week.

Mr. and Mrs. Herb McLachlan of Saginaw spent the weekend at their cottage at Lake Margrethe and also visited his brother and wife, Bob and Nancy McLachlan.

Leon Johnston was the honor guest at a 65th birthday celebration held at the home of Chet and Shirley Johnston. Fish and chips were enjoyed by all followed by old fashion Mollasses cake prepared by his sister, Norma. Those attending were his mother Laura, brother George, sister Norma, friends Bob Williams and Chuck Soule. A good time was had by all.

Jim and Beth Shepler spent several days in the Dallas area and while they were there they stayed with friends, the Ed Stams. Beth spent two and one half days in intense training working in jewelry design at the School of Dondor in Fort Worth. Jim attended the jewelry show in Dallas which was so large that he was able to visit only a part of it.

Participates In Army Exercise

Army Spec. 4 Todd M. Bardoni, son of Charles R. Bardoni of 2249 Pioneer Road, Roscommon, and Sharon A. Bardoni of 1113 S. Hamilton, Saginaw, has participated in Team Spirit '86, a Republic of Korea/United States Combined Forces Command sponsored exercise held in South Korea.

Team Spirit '86 was the eleventh in an annual series of combined/joint field training exercises staged to increase the defensive posture of Republic of Korea and U.S. combat and support forces.

The exercise involved forces stationed in South Korea, as well as U.S. forces from other locations within the Pacific Command and the continental United States.

Bardoni is assigned with the 14th Infantry at Schofield Barracks, Hawaii.

He is a 1983 graduate of Arthur Hill High School, Saginaw.

Social insecurity.

For many people, making ends meet today is no simple task. Like Alice in 'Through The Looking Glass', it takes all the running you can do to stay in the same place. When you think of how much more it will cost to live 10, 20, or 30 years from today, your Social Security check will seem like a drop in the bucket. That's why you've got to start now to build your financial security. And an Old Kent IRA is one great way to help you get there at the expense of the IRS.

The Old Kent difference.

An Old Kent IRA means more than a great way to save on taxes. It means professional help that's as near as your phone. It means options like competitive money market interest rates and FDIC-insured CDs. It means you can open your account with as little as \$50. Or as much as \$2000. No wonder so many people choose Old Kent for their IRA investments.

There's still time.

Tax filing time is not that far away. If you have any questions at all about IRAs, please stop in or call us so we can help you make your decision. There's no cost or obligation. But you will need to make your deposit by April 15, if you want to get a credit against your 1985 taxes. Remember, every dollar you put in an IRA means you'll be paying less to the IRS.

Lower Auto Insurance Premiums... Insurance Can Be Confusing

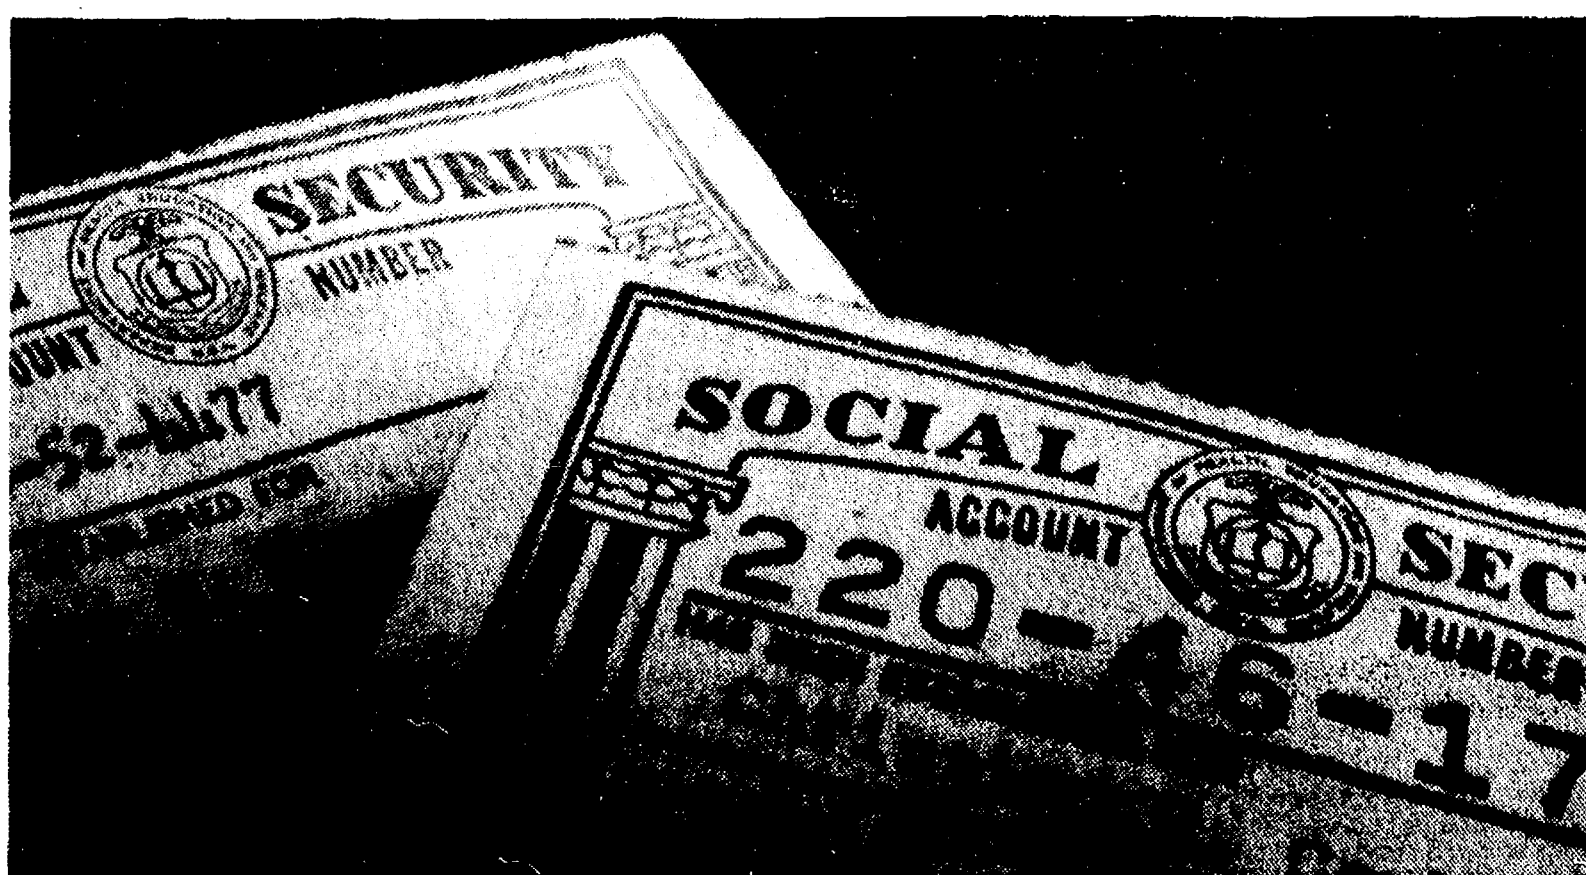

With all that has been going on in the insurance industry these days, you need someone you know and trust to help you make sense of it. Let the people at Cornell answer your questions — you'll be glad you did!

When you think of Insurance, think of Cornell... Your old Friend.

Teachers Win Third Title

GRAYLING LEAGUE CHAMPS — Winning the Grayling Basketball League for the third year in a row were (front, left to right) Fred Wolcott, Dan Ullery, Bill Bonkowski, Bill Klinger, Rich Alexander, Don Ferguson, Tom Mills, Clayton Horton, Mike Smith, and Charles Mires. (Todd Klinger Photo)

Dee's Ice, comprised mostly of school teachers, beat Glen's Market 53-48 to win the Grayling Basketball League title last Wednesday. It was the third year in a row the teachers' team has won the title.

Both Glen's and Dee's Ice were tied at 8-1 heading into the final league game for both. In a well-played game, Dee's Ice overcame a fourth quarter deficit to win.

Down by 2 to start the last ten minutes, Dee's outscored Glen's 9-2 and then traded

baskets down the stretch.

Fred Wolcott, the former Wayne State University Most Valuable basketball player led Dee's with 21 points and 12 rebounds. He also added 7 steals. Bill Klinger added 8 points, Mike Smith 8, Tom Mills 6, Rich Alexander 6, and Dan Ullery 4. Also helping Dee's win the title were Charles Mires, Don Ferguson, Bill Bonkowski, and Clayton Horton.

Glen's was led by Dave Narlock with 16, Monte D'Amour had 12, Ken Helsel 11, Rich Grant 4, Darrel Ames 2, Dave Duncan 2, and Steve Hinds 1.

In other games, Brad Trenary set a league record with 31 points as GTE beat Mercy 60-43. Trenary also won the league scoring title again. Media won their seventh game in a row 52-33 over Calvary Baptist. AJD beat AuSable Woodworking 52-39 to even the score between those two teams.

Volleyballers Finish Best Season with 28-9 Mark

Grayling lost in the opening round of district volleyball action, but still finished with their most successful season ever.

The Vikings ended with a 28-9 overall record and brought home four trophies from tournaments. Grayling lost only one dual match the entire year, a close four-game set to powerhouse Rogers City. Grayling also defeated three champions of other conferences in dual matches, Gladwin, Lake City, and Gaylord St. Mary's.

Eight times at tournaments, a Grayling player was selected to an All-Star team. One of the players, Shelly Denton, also has a shot at All-State recognition.

"This was the most successful season since I've been coaching volleyball here," said Viking coach Becky Brown. "I'm proud of the play of the girls and they

were good representatives of the community. I think they helped bring volleyball into a better light here. Some of the other teams were down and we were drawing good crowds to both home and away games."

Grayling was beat 15-6 15-7 at districts by Elk Rapids. The potent Grayling offense got mixed up by a shortage of setters. Setters Jamie Kaiser and Julie Brooks didn't make the trip because of illnesses and starting setter Beth Bedard injured her ankle early in the game.

Kathy Partin led serving with 10/10 and Sue Casler had 6/6. Denton led with 23 blocks and Piper Ostrowski had 10 attacks. Stacey Hinds led with 5 sets and Chris Schwartz had 19 bumps.

Grayling finished the regular season with wins over Lake City 18-16, 15-6, 15-10 and Gaylord St. Mary's 12-15, 15-13, 11-15, 15-5, 15-6.

Against Lake City, Denton had 14/15 in serving, Partin 11/13, Casler 10/11, Brooks 9/11, and Ostrowski 9/11. Hinds led in sets with 17 and Kaiser, Brooks, and Bedard had 9 each. Ostrowski led in attacks with 23 and Denton had 22. Denton added 21 blocks. Schwartz led the defense.

Against Gaylord St. Mary's, Bedard played an outstanding game with 27/27 serving and 50 of 50 sets. Kaiser set 33 times and added 58 bumps. Schwartz added 27/28 serving, 29 attacks, and 57 bumps. Partin hit in 20/22 serves and had 25 attacks.

The J.V. team beat Lake City 15-10 15-5 5-15 and Gaylord St. Mary's 15-7 15-3 15-7. They were led by Carrie Trudgeon, Cindy Sabin, Jenni Money, Patti Tremblay, Sheryl Klinger, Jill Brackenbury, Debbie Jones, and Lisa Kimball.

Vikings Lose Big Lead, Drop 53-50 District Game

Whoever decided high school basketball games will be 32 minutes of action cost Grayling a win in district tournament action Monday night against Houghton Lake.

The Vikings lost 53-50, but if the game lasted only 28 minutes, Grayling would have won by a wide margin.

With about four minutes to go in the fourth quarter, the Vikings had a commanding 11-point lead over the Bobcats. Within two minutes, Houghton Lake tied the game.

Houghton Lake went ahead when Grayling threw the ball away on an in-bounds pass and then committed a foul at 1:54 left. Kevin Hudson tied the game with a pressure free throw

with a little more than a minute to play.

He missed the second shot and Houghton Lake made a bucket on their trip down for a 49-47 lead. David Somerville canned a jump shot to tie the game back at 49-49.

Houghton Lake scored again with 45 seconds left to lead 51-50.

With 32 seconds left, Somerville hit the front end of a one-and-one to cut the score to 51-50. He missed the second shot and Houghton Lake added two free throws to win by three.

The game featured wide swings in scoring. Early in the second quarter, Houghton Lake led 16-9. Then the Vikings outscored them 15-3 to take a 24-19 half lead.

GPA CHEERLEADERS — Do you know these girls? They will be cheerleading at the GPA Milltown benefit basketball game Monday, March 10, between WJGS Air Aces and the Grayling All-Stars. Come find out who they are.

WJGS Air Aces Face Local All-Stars

The WJGS Air Aces led by "Dr. D" Don London will try to slam dunk the Grayling All-Stars Monday, March 10, at 7 p.m. at the Grayling Middle School.

For the admission price of 98¢ cents, fans will see all the DJ's for WJGS do their thing on the hoop court. Besides Dr. D, there will be "Polka Prince" Paul Mathews, Chip "Razor" Sharp, Dean "Mick Jagger" Berry, Ted "Mc DLT" Layotte, Chris "Top 9 at 9" Wright, Pat "Bassit Ball Jones" Quinn, Mike "Big Guy" Stevens, and Coach Daves "Bobby Knight" Jacobson.

Added to the fun will be a crew of mysterious cheerleaders (see above photo). The halftime featured attraction will be local talent John Watkins with his Blue

Brothers act.

Trying to stuff the WJGS Air Aces will be a group of Grayling All-Stars led by Terry Wright, Chamber of Commerce, Brad Trenary, from Weyerhaeuser, Bruce McGuire, from Mercy Hospital, Steve Hinds, from Glen's, Dean Smith, from Holiday Inn, Tom Coors, from Crawford County Sheriff Dept., Karl Schreiner from Grayling City Police, Louie Madill, AuSable Woodworking, Jon Thompson, Crawford County Avalanche, Bill Bonkowski, Grayling High School, Bob Madsen, C.F. Fick and Sons, and Carrie Mayes, Grayling Middle School.

The game is sponsored by the Grayling Promotional Association and all proceeds go toward the Milltown Festival.

Herbal Corner

The following are some old-time herbal recipes that I thought may interest you. It may interest you to know, too, darling, that some of these recipes are not off the mark as far as herbal healing is concerned.

CAMPBOR: Finely powdered camphor, 1 ounce; lard, 2 ounces. Mix. It is designed to ripen indolent tumors. Encyclopedia of Practical Receipts and Processes, W.M. B. Dick, 1892.

CLOVER FLOWERS: An ointment made by frying white clover blossoms in lard is often useful. To make a more

effective salve strain off the flowers, then fry more fresh flowers in the same lard. The leaves and flowers of sweet clover (Melilotus officinalis) are boiled in lard and said to be useful in "all kinds of ulcers, inflammations, burns, etc." R.S. Cheney Co., 1900.

ARBOR VITAE: The commandant of Fort St. Frederic could never sufficiently praise its excellent for rheumatic pains. He told me he had often seen it tried, with remarkable good success, upon several persons, in the following manner. The fresh

leaves are pounded in a mortar, and mixed with hog's grease, or any other grease. This is boiled together till it becomes a salve, which is spread on linen, and applied to the part where the pain is. The salve gives certain relief in a short time. Travels Into North America, Peter Kalm, 1772.

BURDOCK: An ointment made of the root has been employed with advantage in cutaneous diseases and obstinate ulcers. EXTRACTS, Tilden & Company, 1858.

Herbally yours,
E. Diona Cerelli, C.H.

Dear Whitey:
On behalf of the Grayling Little League Board of Directors, I would like to thank the following people that were instrumental in the Grayling Little League Baseball Clinic held February 5, 1986:

The Grayling Youth Booster Club which paid for the speakers, WQON and WGRY for free advertisement, the Chamber of Commerce for canvassing the posters to merchants, and of course the sponsors and businesses that are always so supportive. Also, a thanks goes to the parents, coaches, volunteers and players who participated in the clinic. And finally to the staff at the Avalanche, in particular to Jon Thompson who did such a fine job in promoting the clinic.

Approximately 150 persons attended the clinic and \$950 was netted which will be budgeted for the 1986 season.

Hopefully we will be able to build on the clinic next year and bring about an even better one.

Sincerely,
Jim Tobin, President

To Whom It May Concern:
On November 14, 1985 in anticipation of opening day of deer season, our son got off work at shortly after noon to take his gun to the sport shop to be bore sighted, got the key to the house from his Mother, and was a few blocks from home when a DNR officer spotted the gun in his truck window. What happened? You guessed it! He was ticketed for having a rifle in his vehicle before deer season. This ticket occurred less than 1 1/2 hours after he got off work. The officer assured him the rifle was legally in the PU.

On professional advice he was told to take letters from his boss, the sport shop and his Mother and go to the officer to show him he was not violating deer, as the officer said he was. The officer

refused to remove the ticket. When Ron told him he would see him in court, the officer said "So what, I will get over-time for it".

Letters were written to the officer's superior and they did offer apologies of sorts for the unfortunate comment the officer made, but would let the courts decide on the ticket. I understand the officer added to his story after being questioned by his superiors.

Against my better judgment, we are advising our son to pay the ticket. 1. Because, he is not able to afford a lawyer; 2. It is a waste of court time and taxpayer's money to go to a jury trial; 3. Also, it is a waste of State money to pay over-time for the officer and, 4. Who is going to believe a 19 year old kid? What else can he do?

It is unfortunate that an officer would abuse his authority and know that to clear the ticket would take a few days in court, which is a loss of income for that individual. We all want the DNR to do their job, but we expect them to use their common sense and know when a person is violating for deer or just being an innocent person.

After searching through the DNR rules booklet we find there is a law that states you cannot transport a rifle in your vehicle 5 days before the season except to your camp. (What is his home, but his camp?). I guess I am concerned that anyone from outside Crawford County can transport their gun to their camp, but cannot have guns in their vehicles other than that. What about persons tenting, campers, etc. Are they to leave their guns there to be maybe stolen and miss deer season, or are they to purchase the guns from our area the 15th of November and miss opening morning, or are they exempt from this rule? If so, this is discrimination.

If Ron wanted to violate, all he would have to do would be to aim the gun out his bedroom window, since we feed the deer and they roam our property at will.

In my opinion, this is a clear cut case of an unjustified ticket issued by an officer who should be putting his time to better use.

Sincerely,
Irene & Bill Gildner

ABWA Enrollment Event

The Grayling Charter Chapter of the American Business Womens' Association will have a Spring Tea on Tuesday evening, March 18, 1986.

According to President Jane Larson, the event will revolve around the theme, Believe in ABWA, and will focus on personal and professional growth opportunities for women.

Founded in 1949, ABWA is an influential national organization. Membership includes women who are employed in all aspects and on all levels of business throughout the United States and Puerto Rico. Enrollment events will be held by each of ABWA's chapters during 1986.

The national association is dedicated to the professional, educational, cultural and social advancement of women. Last year, ABWA chapters awarded millions of dollars in scholarships to women students. In addition, the ABWA national scholarship fund awarded substantial scholarship monies during the same period.

Women who are employed are eligible for membership. For further information about ABWA and this special event, interested business women should contact: Betty Bennett (evenings) at 348-9246, or Carol Ralph at 348-9415.

Arts Council Viking Art Award

The Crawford County Arts Council Viking Art Award was created to give recognition to graduating seniors for their contribution to visual, creative, and/or performing arts while in high school. The main criteria for this award is: active in visual, creative and/or performing arts throughout four years of high school. The student must be nominated for this award by a GHS faculty member or other interested adult. Last year's recipients were Brenda Prause and Damon Thayer, their names have been engraved on a plaque that is displayed at the high school. This year the CCAC has decided to award scholarships along with the Art Award.

The Arts Council also has financial aid available for persons who wish to pursue education in the arts, e.g. drama, dance, design, music and for special art functions, e.g. camps, clinics, workshops. We have awarded more than three thousand dollars in financial aid to residents of Crawford County.

Applications for both the Viking Art Award and financial assistance will be available through the counseling office at the high school or from Executive Board members of the CCAC after Easter vacation.

Contact Lorna Morse at 348-7037 to join us in support of the Arts in Crawford County. Watch for our "Showcase" in April.

Doodles From The Tall Timber

by Wendell L. Hoover,
Park Interpreter

While looking for logging history or stories I come across funny stories that are good for the telling, but really do not relate to logging. They do impress me with the fact that we Americans have a rich sense of humor. Try these two: When I was a kid my ma drove the horse to town every Saturday for groceries. This one morning I was a ridin' on the back end of the buckboard and got to a starin' at the spokes of the right hand wheel. Couldn't take my eyes offin' those spokes no matter how hard I tried. Five miles that trip was and when we go to the store, Ma says "Good Gracious Sakes", son your eyes is crossed. Well sir, ma had to back up that horse and buckboard all the way home with me a starin' at those spokes before my eyes straightened out.

A greenhorn was complaining to a bow legged son of the plains about the wind. The cow puncher said this ain't nothin'. We one'cet had a wind swoop down one time and carry off the chuckwagon, cookstove and all. Next day it came back and collected two stove lids and a poker, which had got left behind." When this had soaked in he added "the only thing left was two sacks of Charleys' biscuits. They warn't no wind on earth could carry those off."

Where'd that wind come from? asked the greenhorn who should have known better. "Why," said the puncher, "it was out'n the West. Blew so hard the sun was three hours late a goin' down. That's how daylight savings time got started, didn't you know that?"

Uniform House-Numbering Ordinance Crawford County Ordinance No. 86-1

Introduction

In order to uniformly assign and maintain house numbers and provide for easy identification of those numbers for the various purposes and to promote the health, safety and welfare of the citizens of the County of Crawford, the County of Crawford enacts its Uniform House-Numbering Ordinance as follows:

Section 1: THERE IS HEREBY CREATED the Crawford County Uniform House-Numbering Ordinance.

Section 2: Definitions as used in the Ordinance:

Section 2.1: House Number shall mean the number assigned to consecutive intervals along a street or road pursuant to the Number Assignment Formula contained herein.

Section 2.2: The "Number Assignment Formula" as found herein is defined as follows:

Beginning from the point of origin a house number shall be assigned for each interval, with each interval on the right-hand side of the roadway as one leaves the point of origin being assigned an even number, and each interval on the left-hand side as one leaves the point of origin being assigned an odd number. The numbers assigned shall increase consecutively by an increment of two (2) for each interval. Intervals shall run North, South, East and West or diagonally from the point of origin.

Section 2.3: As used herein, "Primary Structure" shall include but not be limited to: residential building, mobile home park, commercial building, industrial building, office building, public building, well, field pump, utility, lighted billboard, and lighted outdoor display/storage facility.

Section 2.4: "Interval" as used above means a distance along a roadway covered by this Ordinance of 5.28 feet, there being 1000 intervals per mile (5,280 feet). Intervals of greater or lesser length than 5.28 feet may be determined by dividing the actual distance of the mile section by 1000.

Section 2.5: Point of Origin as used herein means the intersection of an East-West base line and a North-South base line from where all intervals begin. The North-South, East-West intersection in Crawford County shall be the intersection of North Down River Road and Thendara Road.

Section 2.6: Display as used herein is the manner the house number is affixed to a structure or otherwise displayed when affixing to a structure is not adequate visually so that it is readily identifiable pursuant to provisions of this Ordinance.

Section 2.7: Diagonal Roads as used herein, are roads whose course does not run in either an approximate North-South or East-West direction.

Section 3: House Number Display.

Section 3.1: Display of House Number - Each primary structure shall display a house number. A house number shall not be displayed containing numbers less than 3 inches (7.62 centimeters) in height. It shall be visible from the roadway named in the address, and all house numbers shall be in Arabic numerals.

Section 3.2: The Building and Zoning Department of Crawford County is hereby empowered to promulgate rules for house number display. Said rules shall be effective upon approval of the Crawford County Board of Commissioners.

Section 4: House Numbering System.

Section 4.1: There is hereby created within the Department of Building and Zoning for Crawford County a House-Numbering System. The Building and Zoning Director shall be the director of the House-Numbering System and shall draft rules and regulations for the operation of the House-Numbering System and the assignment and placing of house numbers for all intervals along roadways emanating from the point of origin, including diagonal roads, pursuant to this Ordinance. Said rules and regulations shall be approved by the Crawford County Board of Commissioners before they take effect.

Section 4.2: The City's house-numbering system shall be used to number properties along the portions of the described road (attached list identified as "A") regardless of whether the property being numbered is located within the City's boundaries or within a township's boundaries.

The City's house-numbering system may also be used to number township properties along other streets and roads that border the City and extend into the townships.

Section 4.3: The House-Numbering System Director shall cause to be created and maintain an accurate map of all roads within Crawford County and shall make house numbers available for each interval along the roadway. Said map shall be the official repository of said house number assignments.

Section 4.4: House numbers shall not be assigned along any public road until a name for said road has been approved by the Crawford County Road Commission. House numbers shall not be assigned along any unplatted private road or access easement of record where the name of said unplatted private road or access easement has not been registered with, and approved by, the County Road Commission.

Section 4.5: Existing house numbers which do not comply with the Crawford County House-Numbering System may be changed either at the request of the property owner or his or her agent(s) upon approval of the House-Numbering Administration or such change may be initiated by the County. When a change is initiated by the County, the property owner shall be notified, in writing, 30 days prior to the time the new number shall become the official number for the interval(s) of the property in question.

Section 4.6: The Director shall, upon application by a landowner, assign a house number and approve the display; provided said display is consistent with the provisions for display as contained herein.

Section 5: Enforcement.

Section 5.1: A person who violates the provisions of this Ordinance shall be punishable by a fine of not more than \$50.00 or imprisonment for not more than one (1) day, or both such fine and imprisonment, and each day that a violation occurs shall be deemed a separate offense.

Section 5.2: Procedures to enforce this Ordinance may be commenced not sooner than fifteen (15) days after written notification by the Director of the House-Numbering System.

Section 6: Except as otherwise provided herein this Ordinance shall affect only property located along roadways found in the unincorporated areas within the County of Crawford, and shall not be deemed effective as to property located within the boundaries of any incorporated village or city within Crawford County.

Section 7: No portion of this Ordinance shall be applied so as to interfere with the activities of any city, township or village, and should any application of the provisions of this Ordinance interfere with any affair of any city, village or township within Crawford County, said application shall be void and of no effect.

Section 8: Effective Date.

Section 8.1: The effective date of this Ordinance shall be immediately upon the approval of the Governor of the State of Michigan, or should the Governor fail to approve same, upon final passage by the Crawford County Board of Commissioners, whichever shall first occur.

Mary E. Harland, Chairperson
Crawford County Board of Commissioners
I, Elizabeth H. Wieland, Clerk of said County of Crawford, State of Michigan, do hereby certify that the foregoing is a true and exact copy of an Ordinance adopted by the Crawford County Board of Commissioners at a regular meeting on the 27th day of February, 1986. In Testimony Whereof, I have set my hand and affixed the Seal of said County, this 27th day of February, 1986.

Don't Be Too Quick To Judge

I recall the story of a man of 76 who was in the hospital for heart failure, when he was admitted he was in a dis-oriented mental state.

After treatment, which restored his heart function, he once again was rational. Still, the man kept insisting that his "mommie" would be there in a few days to drive him home. His doctors were concerned and kept him in the hospital to monitor his mental condition.

Then one day, to their surprise, the man's 95 year old mother drove over from a town 100 miles away to take her son home.

Not a likely story, you think. Well, how much do you really know about the lives of old people? There are many misconceptions about the aged, not the least of which is that all elderly persons suffer from a variety of degenerative and progressive disabilities.

One of my goals is to attempt to change some erroneous notions about the health status of elderly individuals, notions that may have tragic consequences for the elderly and the not-so-elderly.

From my perspective aging is an ongoing process, starting at conception and ending with death. Thus aging is not reserved for senior citizens or golden-age clubbers; it is shared by infants, children, teen-agers, and young adults, as well as the more mature. It occupies the total lifespan and does not occur as merely the final stage of life.

Life expectancy is the average number of years persons born in a given year can be expected to live under the mortality conditions prevailing in that year. In the United States, life expectancy was just over 47 years at the beginning of the twentieth century. This means that people born in 1900 could be expected to live an average of 47 years under the conditions of 1900. By 1974, life expectancy in the United States had risen to 76 years for women and 68 years for men.

An adult who had reached 61 at the turn of the century could expect to live another 12 years, and an adult who reaches 65 today can expect to live another 16 years. Four factors have attributed to the increase in life expectancy:

1. increased food source,
2. development of commerce and transportation;
3. changes in technology and industry; and
4. increased control over infectious diseases.

These four factors characterize attempts begun in the last century to increase man's control over the environment.

Community Education Program To Present Unique Show

Probably the "only show of its kind" will be presented at Grayling High School on Wednesday evening, March 12 by the Community Education Program. The show is being offered free and everyone is cordially invited to attend.

One portion of the show will be a Dog Show presented by the members of the Dog Obedience Training Classes. Instructor Linda Sprague will be on hand to put the dogs through their paces. Judges will be on hand to determine the "best of the show" and winners of other categories.

Another portion of the show will be a demonstration of Aikido, presented by students from Northwestern Michigan College in Traverse City. Aikido is one of the least known or understood of the Japanese martial arts. It is based on the martial techniques of the samurai. Aikido is not a conventional fighting art, but rather it is an art of defense. This aspect of Aikido, its defensive rather than offensive approach to aggression, helps make it virtually stand alone among other noble martial arts.

Still another demonstration will be presented by Sandi Hasson, local instructor of Korean Karate.

The final term of Adult Enrichment Classes sponsored by the Grayling Community Education Program will begin the week of March 17. Included in that term will be classes in Dog Obedience Training, Aikido and Korean Karate.

Adult Foster Care

(Continued From Page 1)

Mrs. Green said the persons attending were very well-prepared for the meeting and asked intelligent questions. She said some of the residents told her after the meeting that their questions had been cleared up.

Several of the property owners opposing the application said they weren't against adult foster care homes but felt this one would break restrictions placed on the subdivision.

They do not plan to appeal the DSS decision regarding their initial four complaints because the state statutes supercede local laws. However, they do plan to request denial of the license based on other reasons under state guidelines.
